AMENDMENT AFTER ALLOWANCE UNDER 37 C.F.R. § 1.312

In response to the Notice of Allowability mailed on December 14, 2009, please amend Claim 105 to correct a typographical error as shown in the Appendix.

The Notice contained the Examiner's Amendment as discussed with the undersigned. Authorization was given by phone to all the amendments except a typographical error in Claim 105. Specifically, the limitation "about 15% to about 95% ethanol" should read "about 51% to about 95% ethanol". This was not included in the amendments discussed between the Examiner and the undersigned, and presumably is the result of a typographical error. Claim 105 as originally filed, and in all subsequent submitted amendments, read "about 51% to about 95% ethanol."

This Amendment after Allowance should present no substantial burden to the Office.

If any extension of time is required, please consider this paper a petition for the total extension of time required.

It is believed that no fee is due in connection with this Amendment. In the event that a fee is due, please refer to the Deposit Account Authorization previously filed for this application.

Respectfully submitted,
